on SCAR  
treatment

**6th January 2019**

**9:00AM - 6:00PM**

**HOTEL LALIT, MUMBAI**  
**WWW.SCARSUMMIT.COM**

Supported by :

**SLiMS**

# WELCOME to the 1st Annual Scar Summit 2019

Skin City's Post Graduate Institute of Dermatology in association with Society for Lasers in Medicine and Surgery, SLIMS, takes pride in announcing its first focused National Annual Conference on Scar treatments. "The Scar Summit 2019" will be held on 6th January 2019 at Hotel Lalit, Mumbai. The conference is expected to be attended by various specialists (Dermatologists, Plastic Surgeons, Maxillofacial Surgeons, Oculoplastic Surgeons, General Surgeons) and clinicians interested in the field of scar prevention and scar management.

The summit will feature first-class faculty, and unparalleled platform for networking with peers, concurrent educational tracks with a diverse range of sessions. Also, a hands on workshop is scheduled one day prior to the conference which will offer a first hand experience from masters in the field.

The world of medicine is rapidly shifting from surgical approach to minimally invasive to preventive approach. Now, minimum or no scar is a parameter of physician's merit and long gone are the days when big scars used to be the signature of a bold surgeon. Today, focus of research has shifted from scar correction to scar mitigation and now new paradigms of scar prevention are emerging. Various specialties are fighting this battle against scars in isolation and hence, Scar Summit will serve as a common platform for scientific sharing for all specialties in the best interest of the society.

**DR. NITEEN DHEPE**  
CONVENER AND ORGANIZING CHAIRPERSON

We are hopeful that this will be a memorable experience of enjoying scientific feast on a very focused subject. And to make this experience more pleasant, Hotel Lalit in Andheri has been chosen to ensure ease of convenience, space and comfort for every attendee.

We welcome you to register at the earliest and be a part of this scientific extravaganza.

**Welcome to Mumbai! Welcome to Scar Summit!**

## THE SCAR WARRIORS

DR ANURAG TIWARI	DR JAGDISH SAKHIYA	DR SUNIL KESWANI
DR ANIKET VENKATRAM	DR UDDHAV PATIL	DR GIRISH SHAH

## TEAM SKINCITY

DR SHRENIK BALGER	DR VALLARI SOMAN	DR ASMITA JHA
DR ROOHI NAZNEEN	DR PUNIT SAKHARE	DR SHILPA SHAH
DR MADHUR BASUDE	DR SHUBHANGI SUNDALAM	DR TEJAL UBALE
	RUTURAJ DHEPE	

# AGENDA

## Registration & Inauguration

### Wound healing, Scar Formation and scar minimization

- Classification and severity assessment of scars
- Wound healing and dynamics of hypertrophic scarring
- Early laser intervention for scar minimization
- Therapeutic classification of scars and scar like conditions

### Medical management of scars

- Injectables in management of hypertrophic scars
- Silicone and pressure therapy -
- PRP, fat and cellular therapies
- Assisted / fractional drug delivery: Do they really deliver?
- Jet Volume Remodeling: New paradigm in scar treatments and rejuvenation.
- Growth factors in scar treatment.

### Procedural management of hypertrophic scars

- Surgical scar revision: first line or last line?
- IPL, PDL and LP Nd YAG in scar management
- MNRF in scar management
- Fractional lasers
- SCAAR FX: width to depth ratio of ablation column matters!
- Accidental and Surgical scars: non surgical approaches
- Role of hair grafting in scar improvement

# Hands On Workshop

**Date : 5th Jan 2019**  
**Timing : 1 pm to 5.30 pm**  
**Venue : Terna Hospital,**  
**Department of Dermatology,**  
**Navi Mumbai.**

**LIMITED SEATS!**  
**NO SPOT BOOKING.**

### Acne scars and atrophic scars and stretch marks

- Classification of acne scarring: qualitative and quantitative
- Isotretinoin and acne scar treatments
- Fractional lasers
- 5 - tier technique
- Stretch marks: formation, causes and treatment strategies

### Keloid

- Cryo-therapy in management of keloids
- Radiation in treatment of keloid
- Injection treatments in keloids
- Trigger factors management in keloids
- Ear keloid: various approaches

### Future of scar management

- Fractional skin grafting
- Scar prevention

### Panel Discussion

- Same case different approaches
